## PREMIUM SELECT RANGE

A range of wines that is blended from the best, most carefully selected batches each winery has to offer. This allows the winemaker the full freedom to utilize the best flavor and structure combinations of all the various areas combined. These wines are elegant, fruit-driven and easy drinking.

### Premium Select Chardonnay

This crisp white wine shows pear, pineapple and peach flavors, and pleasant tropical aromas followed by a smooth, creamy finish. Perfect as an aperitif, and with salmon, crab, shrimp and almost any light pasta dish. Drink now or bottle age a further 12 months.

### Premium Select Sauvignon Blanc

A fresh, clean Sauvignon Blanc bursting with tropical fruit and candy apple flavors. A full, crisp and refreshing finish that tingles on the palate. Ready to enjoy now, will gain in complexity over the next year. Perfect as an aperitif, or with fresh green salads, seafood, fish or white meat dishes and white sauce pastas.

### Premium Select Chenin Blanc

This Chenin Blanc exhibits soft floral nuances on the nose with tropical fruit flavors laced with hints of ripe passion fruit and vanilla, followed by light spice and crisp, clean finish. Enjoy now, but can be cellared for another two years. A great choice as an aperitif, or with oysters, mild cheeses, pasta, and spicy foods like an Indian curry or Thai salad.

### Premium Select Cabernet Sauvignon

An elegant, deep ruby red wine that fills your glass with red fruit and cassis aromas. This is a well balanced, smooth Cabernet with a long, smooth and satisfying finish. Enjoy with beef, lasagna, lamb, or for a change of pace, serve it for dessert with a rich chocolate cake. Ready to drink now or bottle age a further 3 - 5 years for added complexity.

### Premium Select Shiraz

Smoky raspberry and black cherry flavors with a sprinkle of spice and white pepper tones. Full bodied, soft plush tannins with a very satisfying finish. Most enjoyable when paired with most grilled foods and spicy dishes. Ready to drink now or bottle age a further 5 years for added complexity.
