

Fact Sheet:

Hercules Paragon, 750ml, Paarl District, South Africa

Varietal:

100% Cabernet Sauvignon 2002

Vinification:

The Hercules Paragon range reflects Simonsvlei's dedication to quality and the new world movement to fruit forward wines that can be enjoyed upon release, but also will benefit from 2-3 years of bottle aging for added complexity.

These grapes come from 16 year old, unirrigated vines planted in granite soils of the Paarl district. After hand harvesting, the juice was fermented on the skins in stainless steel tanks for about 7-12 days. 100% new, small French and American oak barrels were used to age the wine for 12 months.

Tasting Notes:

This wine has lush textures and sweet raspberry and strawberry flavors with a delicate touch of oak.
