

Fact Sheet:

Hercules Paragon, 750ml, Paarl District, South Africa

Varietal:

100% Shiraz 2002

Vinification:

The Hercules Paragon range reflects Simonsvlei's dedication to quality and the new world movement to fruit forward wines that can be enjoyed upon release, but also will benefit from 2-3 years of bottle aging for added complexity.

This fruit was grown on the clay and granite soils of the Paarl district. After hand harvesting, the wine was fermented for 5 days on the skins in stainless steel tanks followed by 10 months of barrel aging, 80% in French and 20% in American oak.

Tasting Notes:

You'll find smoky raspberry and black cherry flavors with a sprinkle of spice and pepper tones. Full bodied, soft plush tannins with a very satisfying finish. Most enjoyable when paired with grilled foods and exotic spicy cuisine.
