

SOUTH AFRICA
SERENGETI
 PINOTAGE

Fact Sheet:
 Serengeti, 750ml, Swartland District, South Africa

Varietal:
 100% Pinotage 2003

Vinification:
 About 37 miles north of Cape Town are the dry- farmed, low- yield Swartland vineyards that provide 6-8 tons of premium fruit per hectare (2.5-3 tons per acre) for Serengeti. This Pinotage was 50% tank aged and 50% barrel aged in two and three year old 300-liter French oak barrels.

Tasting Notes:
 The prized grape of South Africa. This is 100% Pinotage from five bush vine vineyards in the Swartland area. This wine shows the traditional characteristics of the country's finest Pinotage – full bodied with rich, ripe red fruit flavors, deep and intense color, a nice nose, and a long, smooth finish. This is a hearty wine that would be a good match for full flavored foods like grilled sausage, wild game, rich stews and pastas with red sauce.
